LITURGICAL NOTES FOR HOLY WEEK

Holy Thursday: General Notes

The Mass is, first of all, the memorial of the institution of the Most Holy Eucharist, that is, of the memorial of the Lord's Passover, by which under sacramental signs He perpetuated among us the sacrifice of the New Covenant. The Mass of the Lord's Supper is also the memorial of the institution of the priesthood, by which Christ's mission and sacrifice are perpetuated in the world. The tabernacle is empty before the liturgy begins. Communion under both forms will be made available as it is highly recommended by the Church. With the ending of Mass, a Eucharistic procession, in which the whole congregation is invited to join, will proceed to the lower chapel and the altar of reposition. The faithful are encouraged to spend some time in adoration. Holy Thursday will conclude liturgically with compline, which will take place at 10:00pm.

Holy Thursday and the Washing of the Feet

Pope Francis has issued a decree revising the rules for the traditional foot-washing ritual on Holy Thursday, saying the rite should no longer be limited to men, but also include women. Those participating in the ceremony, the decree says, should be representative of the entire community. The change, Pope Francis wrote, is "an attempt to improve the method of implementation, to express the full meaning of the gesture performed by Jesus at the Last Supper, His gift of himself 'to the end' for the salvation of the world, His boundless charity."

Good Friday

The holy water fonts are emptied. The altar is completely bare: without a cross, without candles and without cloths.

The Easter Vigil

The Easter Vigil times place after night fall and is composed of four parts: the Liturgy of the Light; the Liturgy of the Word; the renewal of baptismal vows and the baptism and confirmation of the catechumens; and the Liturgy of the Eucharist.

PALM SUNDAY OF THE PASSION OF THE LORD

GOOD FRIDAY OBSERVANCE AND SCHOOL

Again this year the Hopkinton schools have chosen to hold school on Good Friday. We encourage all of our families to observe Good Friday by participating in prayer services and other personal devotions that are in keeping with the sacred character of the day. This is best accomplished by keeping our children home from school. As we advocate for the spiritual welfare of our children, we also advocate for the spiritual welfare of our people who are school administrators, teachers and support staff that they be allowed to observe this religious solemnity. As Catholics we need to do our best to keep Good Friday holy and sacred— it is not just another day.

A Newly Assigned Deacon and an Old Friend

We have some excellent news for the parish. Deacon Tony Sicuso, a long-time parishioner at St. John's with his wife Barbara, has just been assigned to the parish as a deacon. Deacon Tony was ordained to the diaconate in 1986 and is returning to active ministry following a voluntary leave of absence. We look forward to Deacon Tony's presence in ministry here at St. John's and as he shares his many gifts with us in the parish, let us assure him of our prayerful support in the years to come.

Celebrating 150 Years as a Parish: Stories from Our Past

A photo of St. John the Evangelist probably taken around the time of Fr. Ryan's death shows a church that looks very much like St. John's today. A closer look, however, reveals that the windows and doors of the church are simply boarded over. In addition, there are no front steps. We know the interior of the church was one great empty space, and the steeple envisioned by Patrick Ford, the first architect of St. John's, would remain non-existent. This was the state of the church for five or six years after Fr. Ryan's death. Only the basement was in use.

Lenten Regulations

ASH WEDNESDAY and GOOD FRIDAY are days of fast and abstinence. FRIDAYS OF LENT are also days of abstinence. FASTING is to be observed by all 18 years of age and older, who have not yet celebrated their 59th birthday. On a fast day, one full meal is allowed. Two other meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted, but liquids, including milk and juices, are allowed. ABSTINENCE is observed by all 14 years of age and older. On days of abstinence, no meat is allowed. Note that when health or ability to work would be seriously affected, the law does not oblige. When in doubt concerning fast and abstinence, the parish priest should be consulted. Fasting, almsgiving, and prayer are the three traditional disciplines of Lent. The faithful and catechumens should undertake these practices seriously in a spirit of penance and of preparation for baptism or of renewal of baptism at Easter.

The Veiling of Crosses and Statues

According to the Roman Missal, the practice of covering crosses and images in the church may be observed, beginning on the Saturday before the fifth Sunday of Lent. In 1988, the Sacred Congregation for Divine Worship, in *Paschale Solemnitatis*, encouraged the practice, though it is not mandatory. This practice was obligatory in the Church for centuries up until 1970. Why does the Church encourage this practice? To heighten our Lenten awareness and sharpen our spiritual focus on the great mysteries of our faith that Holy Week makes present: the passion, death and resurrection of our beloved Savior. In the words of the noted Benedictine liturgist Abbot Dom Gueranger, "The presentiment of that awful hour of our Savior's passion leads the afflicted mother, the Church, to veil the image of her Jesus: the cross is hidden from the eyes of the faithful. The statues of the saints, too, are covered; for it is but just that, if the glory of the Master be eclipsed, the servant should not appear."
